

SPECIALIST IN QUALITY

WISCO 

FIRST IN SAFETY

CORPORATE HISTORY

Established in **1983**, WISco has become the most reputable and leading Inspection & Expediting Agency in the world.

“I am sure that WISco Europe will be able to count as a solid and reliable service provider, and experts in their field.” – Chiyoda Milan

“Major assignments in Europe and Asia Performance of SQS Inspectors and home office coordination were outstanding. The turn around time to put in position the correct SQS Inspectors was excellent.” – Fluor Canada

“Since the inception of our (WISco) services agreement (2002) we have experienced exceptional commitment and response to our requirements...” – Aker Kvaerner

“I wanted to thank you for a job well done... with the short notice and what all was involved, everyone performed a great job.” – George Griffin, KBR Energy and Chemicals

GLOBAL ORGANIZATION

WISco GLOBAL OFFICES

July 1, 2008

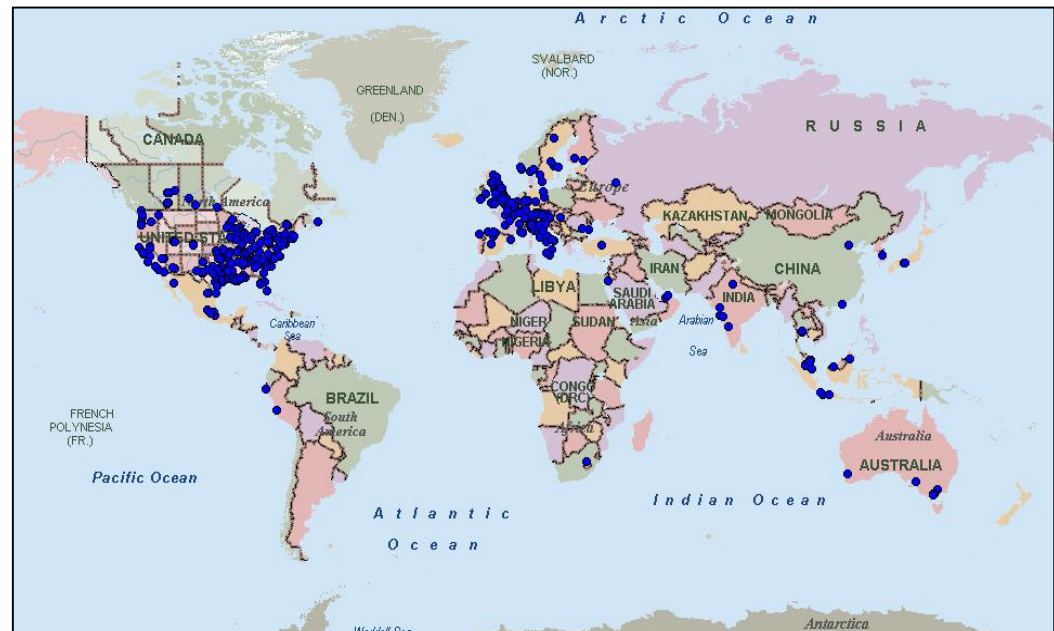

INSPECTORS

WISCO staff consist of over **600** active inspection and expediting specialists **strategically located around the world**. Our associates specialize in various disciplines including, but not limited to:

- **Mechanical Inspection**
- **E & I Inspection**
- **Coating Inspection**
- **Site Inspection**
- **Civil Inspection**

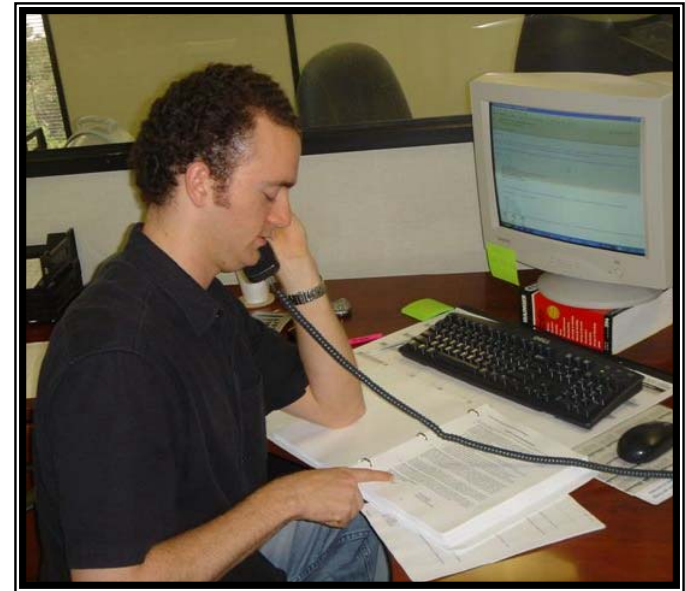

EXPEDITERS

The need for **EXPEDITING** has increased at a rapid pace in our industry and it has been WISco's goal to stay one step ahead of this ever increasing need. The WISco proactive expediting process includes:

- Tracking Approval documents
- Expediting of Sub-vendors
- Expediting of Spare Parts Lists
- Production Schedule Reporting
- Analyzing Problems & Delays
- Ensuring all Requirements prior to Shipment

WISco is a corporate member of the Expediting Management Association (EMA)

MANPOWER SUPPORT

WISco recruiting procedures have enabled us to identify and hire some of the most **specialized staff** in the industry. Today, there is a strong demand for experienced personnel for specific job requirements. WISco can help identify and provide a wide array of positions including:

- **Project Managers**
- **Project Engineers**
- **Construction Managers**
- **Project Planners & Schedulers**
- **Document Control Managers**
- **Construction Superintendents**
- **HSE Managers**
- **Project Buyers**
- **Cost Control Managers**
- **Pre-Commissioning Personnel**
- **Materials Managers**
- **QA/QC Managers**
- **Sr. Level Personnel**
- **Field Office Managers**

PROJECT COORDINATION

“SERVICES are only as good as those SERVING you.”

While we take pride in recognizing our Field Personnel, WISco’s Project Coordinators, working to proven programs and procedures, are keys to the success of our company.

PROJECT COORDINATION

WISco Project Coordinators provide a variety of services including:

- **Outsourcing of qualified, local inspectors**
- **Streamlining communications between our field personnel, clients and contractors / vendors**
- **Supporting distribution of assignment packages, instructions, interim communications, action items, etc.**
- **Scheduling Pre Inspection Meetings, Vendor visits, follow-ups, etc.**
- **Desk and Field Expediting**
- **Tracking assignment progress, cost / budgets, schedules, etc.**
- **Report Review / Distribution**
- **Research of historical information and “Lessons Learned”**

**WISco will assign your company / project a
PERSONAL Project Coordinator.**

RECRUITING & PERSONNEL MANAGEMENT

Continuous Recruiting in Anticipation of our Client's Future Needs

It has been our on-going mission to identify and recruit qualified personnel, to assure availability in meeting our clients' needs, both domestically and internationally.

- Striving to staying One Step Ahead
- Thoroughly screening the applicants
- Searching by Discipline & Location
- Follow-up
- Tracking performance and certifications

A screenshot of a software application window titled 'Incor 2000 v7.7m - [Applications]'. The window displays an 'Application Checklist' for a candidate named Harry. The interface includes a menu bar (File, Edit, Filters, View, Format, Databases, Records, Reports, Window, Help, Special, Admins) and a toolbar with various icons. The main content area shows a form with the following details:
- ID: 123, Last: Hardstone, First: Harry, Location: USA-TX, Employment Type: Full Time

Health, Safety, and Environment

WISco is committed to achieving health, safety and environmental excellence in all activities and services it undertakes.

We provide workplaces and processes that promote positive results without compromising the health and safety of its employees and visitors, or the environment of neighboring communities.

To achieve our goal of HSE excellence we are committed to the following:

Create an Accident Free Environment

Conduct Business with No Adverse Environmental Impact

WISco uses internal and external resources to focus on key areas of health promotion and illness prevention, short and long-term disability management, employee and family assistance counseling programs, illness/injury absence reporting and health issue management. This allows our employees to work with less stress which in turn allows our clients to have proficient inspectors who are focused on the job at hand.

2008 marks 9 straight accident free years with over 1,000,000 man-hours logged!

CONTINUOUS TRAINING

HSE TRAINING
